EXPERIENCE & PROJECTS

Codeclouds Solutions Private Ltd — *Kolkata, India*

Web Engineer — October 2023 – Present

- Worked on an in-house Laravel-based framework to build and integrate CRM solutions and connect third-party tools for affiliate management, order fulfilment, various payment gateways, and more in e-commerce projects.
- Developed a custom sales conversion dashboard using core PHP (OOP and structured format), designed to boost client's sales conversions on Everflow.
- Developed a custom CRM and Everflow report portal in Laravel, enabling clients to view integrated data from the CRM and affiliate portal (Everflow), and generate or automatically send reports to advertisers both manually and via scheduled cron jobs in Telegram.

IGLOBAL IMPACT ITES PVT Ltd — Durgapur,*India*

Web Developer — July 2022 – September 2023

- Developed and maintained diverse web applications using CodeIgniter 3, Laravel, Core PHP, Wordpress for industries including e-commerce, e-learning, agriculture, real estate (condo portal), automotive and job portals.

Via pocket Solutions — Sreampore,*India*

Web Developer — July 2019 – March 2020

- Worked on multiple web projects across travel, education, e-commerce, courier services, and other custom portals.

RJS Tech Solutions LLP — Kolkata,*India*

Web Developer — Jan 2019 – Jun 2019

- Worked on web platforms for popular word games such as Lexulous and Wordosaur, contributing to feature development, and supporting internal tools like HR management portals and custom game-related scripts.

SIT Solution — Kolkata,*India*

Web Developer — Jan 2018 – Dec 2018

- Completed a 6-month trainee period, gaining hands-on experience in Core PHP, CodeIgniter 3, and WordPress while learning to deliver client-focused web solutions.
- Continued as a full-time employee for 6 months, working on live projects across online delivery, CMS-based dynamic websites, CRM systems, e-commerce, and institute management admin panel.

EDUCATION

Maulana Abul Kalam Azad University of Technology — *Kolkata, India*

Bachelor of Engineering in Electronics and Communication Engineering — 2011 – 2016

- I completed my B.Tech in Electronics and Communication Engineering from Techno India, Salt Lake, affiliated with Maulana Abul Kalam Azad University of Technology, in 2016.
